Dover, N. H.

THE STUDENTS

of

NUTE HIGH SCHOOL

MILTON, NEW HAMPSHIRE

PRESENT

the

1960-61

PURPLE AND GOLD

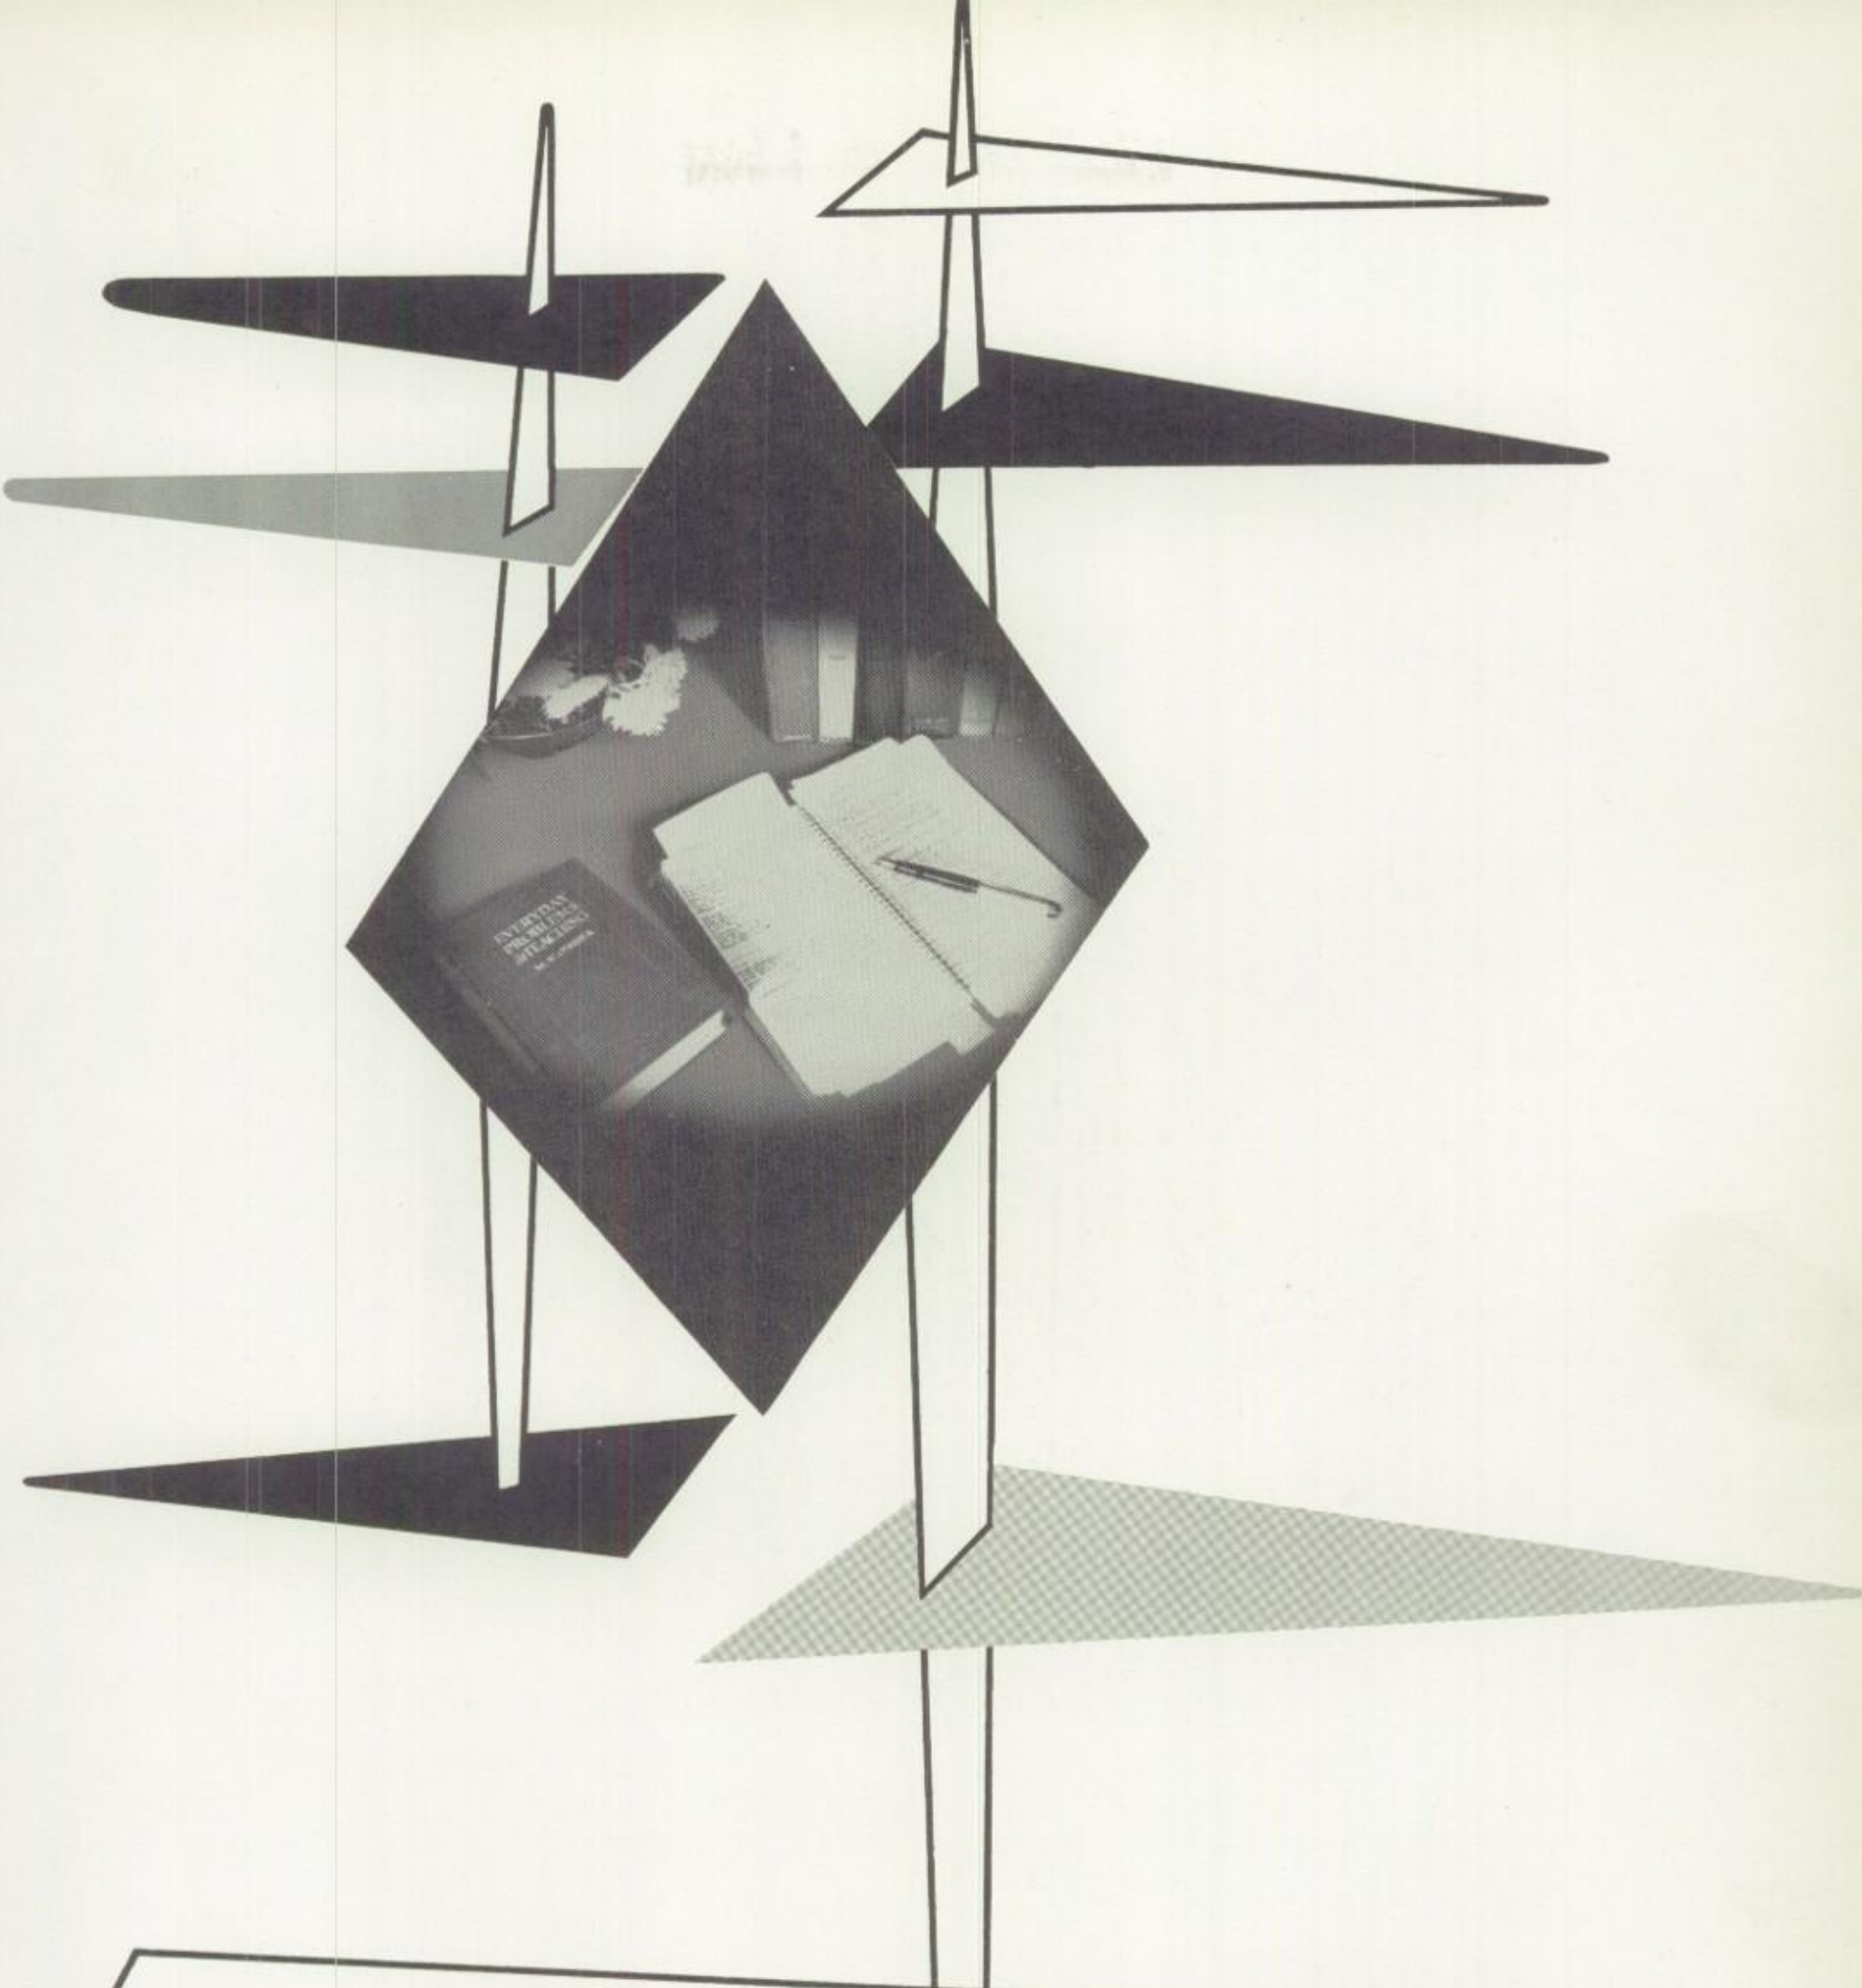

DEDICATION

For his inspired teaching which has offered knowledge
to all his students - -

For his able coaching which has placed Nute's baseball
team with the best in the state - -

And for just being himself - -

We, the senior class of Nute High School, having been
given the privilege, proudly dedicate the 1961 PURPLE AND
GOLD to our class advisor, Mr. Nelson G. Dionne, who has
encouraged and guided us in all our undertakings.

ADMINISTRATION

"NUTE BELOVED, HAIL TO THEE."

SUPERINTENDENT'S MESSAGE

YOU ARE THE MOST IMPORTANT PEOPLE IN THE WORLD

Our American youth are the most important people in the world. It is they who settle all the great questions of life. These great matters are: What calling are you going to follow? What are you going to do about your ideals? What will be your philosophy of life? Will you be materialistic, egotistic, or altruistic, a lover of right and beauty? All of these subjects are disposed of by young people under twenty.

It is the boy who selects the profession or trade the man has to follow. It is the girl who chooses the husband the woman has to put up with all the rest of her life. It is the child that, as a rule, determines the religion the adult must adhere to.

When we remember that the most weighty, important, and fateful issues are in the control of the children, we realize that the happiness and welfare of this whole world is in the hands of the boys and girls.

Ramon Martineau

PRINCIPAL'S MESSAGE

The facets of the educational program of a comprehensive high school are many, and reflect a variety of opportunities for the learning and growth of the individual. The privilege of working with others to publish a school yearbook provides experience in cooperation, leadership, and a respect for the dignity of creative work. The perseverance required to accomplish the task brings a reward to each member of the staff who contributes to this achievement, shared by all members of the school and community. My congratulations to the staff of the 1961 PURPLE AND GOLD and to the Faculty Advisor, for I am sure you have published a yearbook worthy of your efforts and of Nute High.

CLASS HISTORY

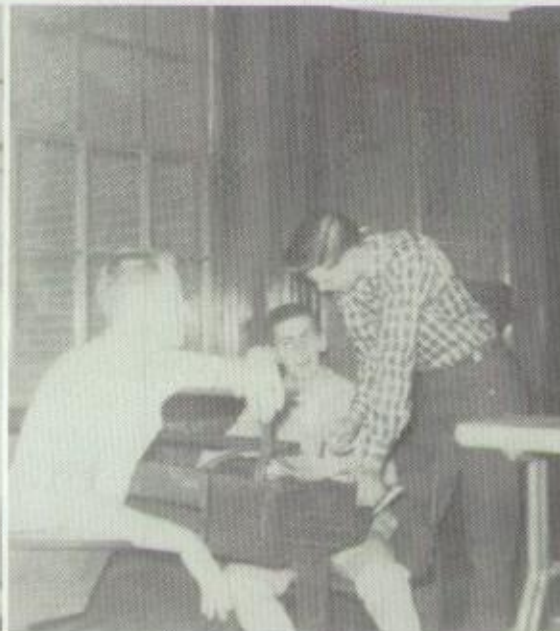

On Sept. 4, 1957, 27 timid freshmen marched into the old room 4B. We were pretty confused with a new administration and so many new teachers. Our advisor was Mr. Lennox Stevens, the new science and math teacher. The first social event was initiation. We conducted the customary magazine drive. Our Sadie Hawkins Dance proved to be quite a novelty at Nute. Wayne Merrill was chosen by the Milton P.T.A. to attend Bear Brook Conservation Camp for one week during summer vacation.

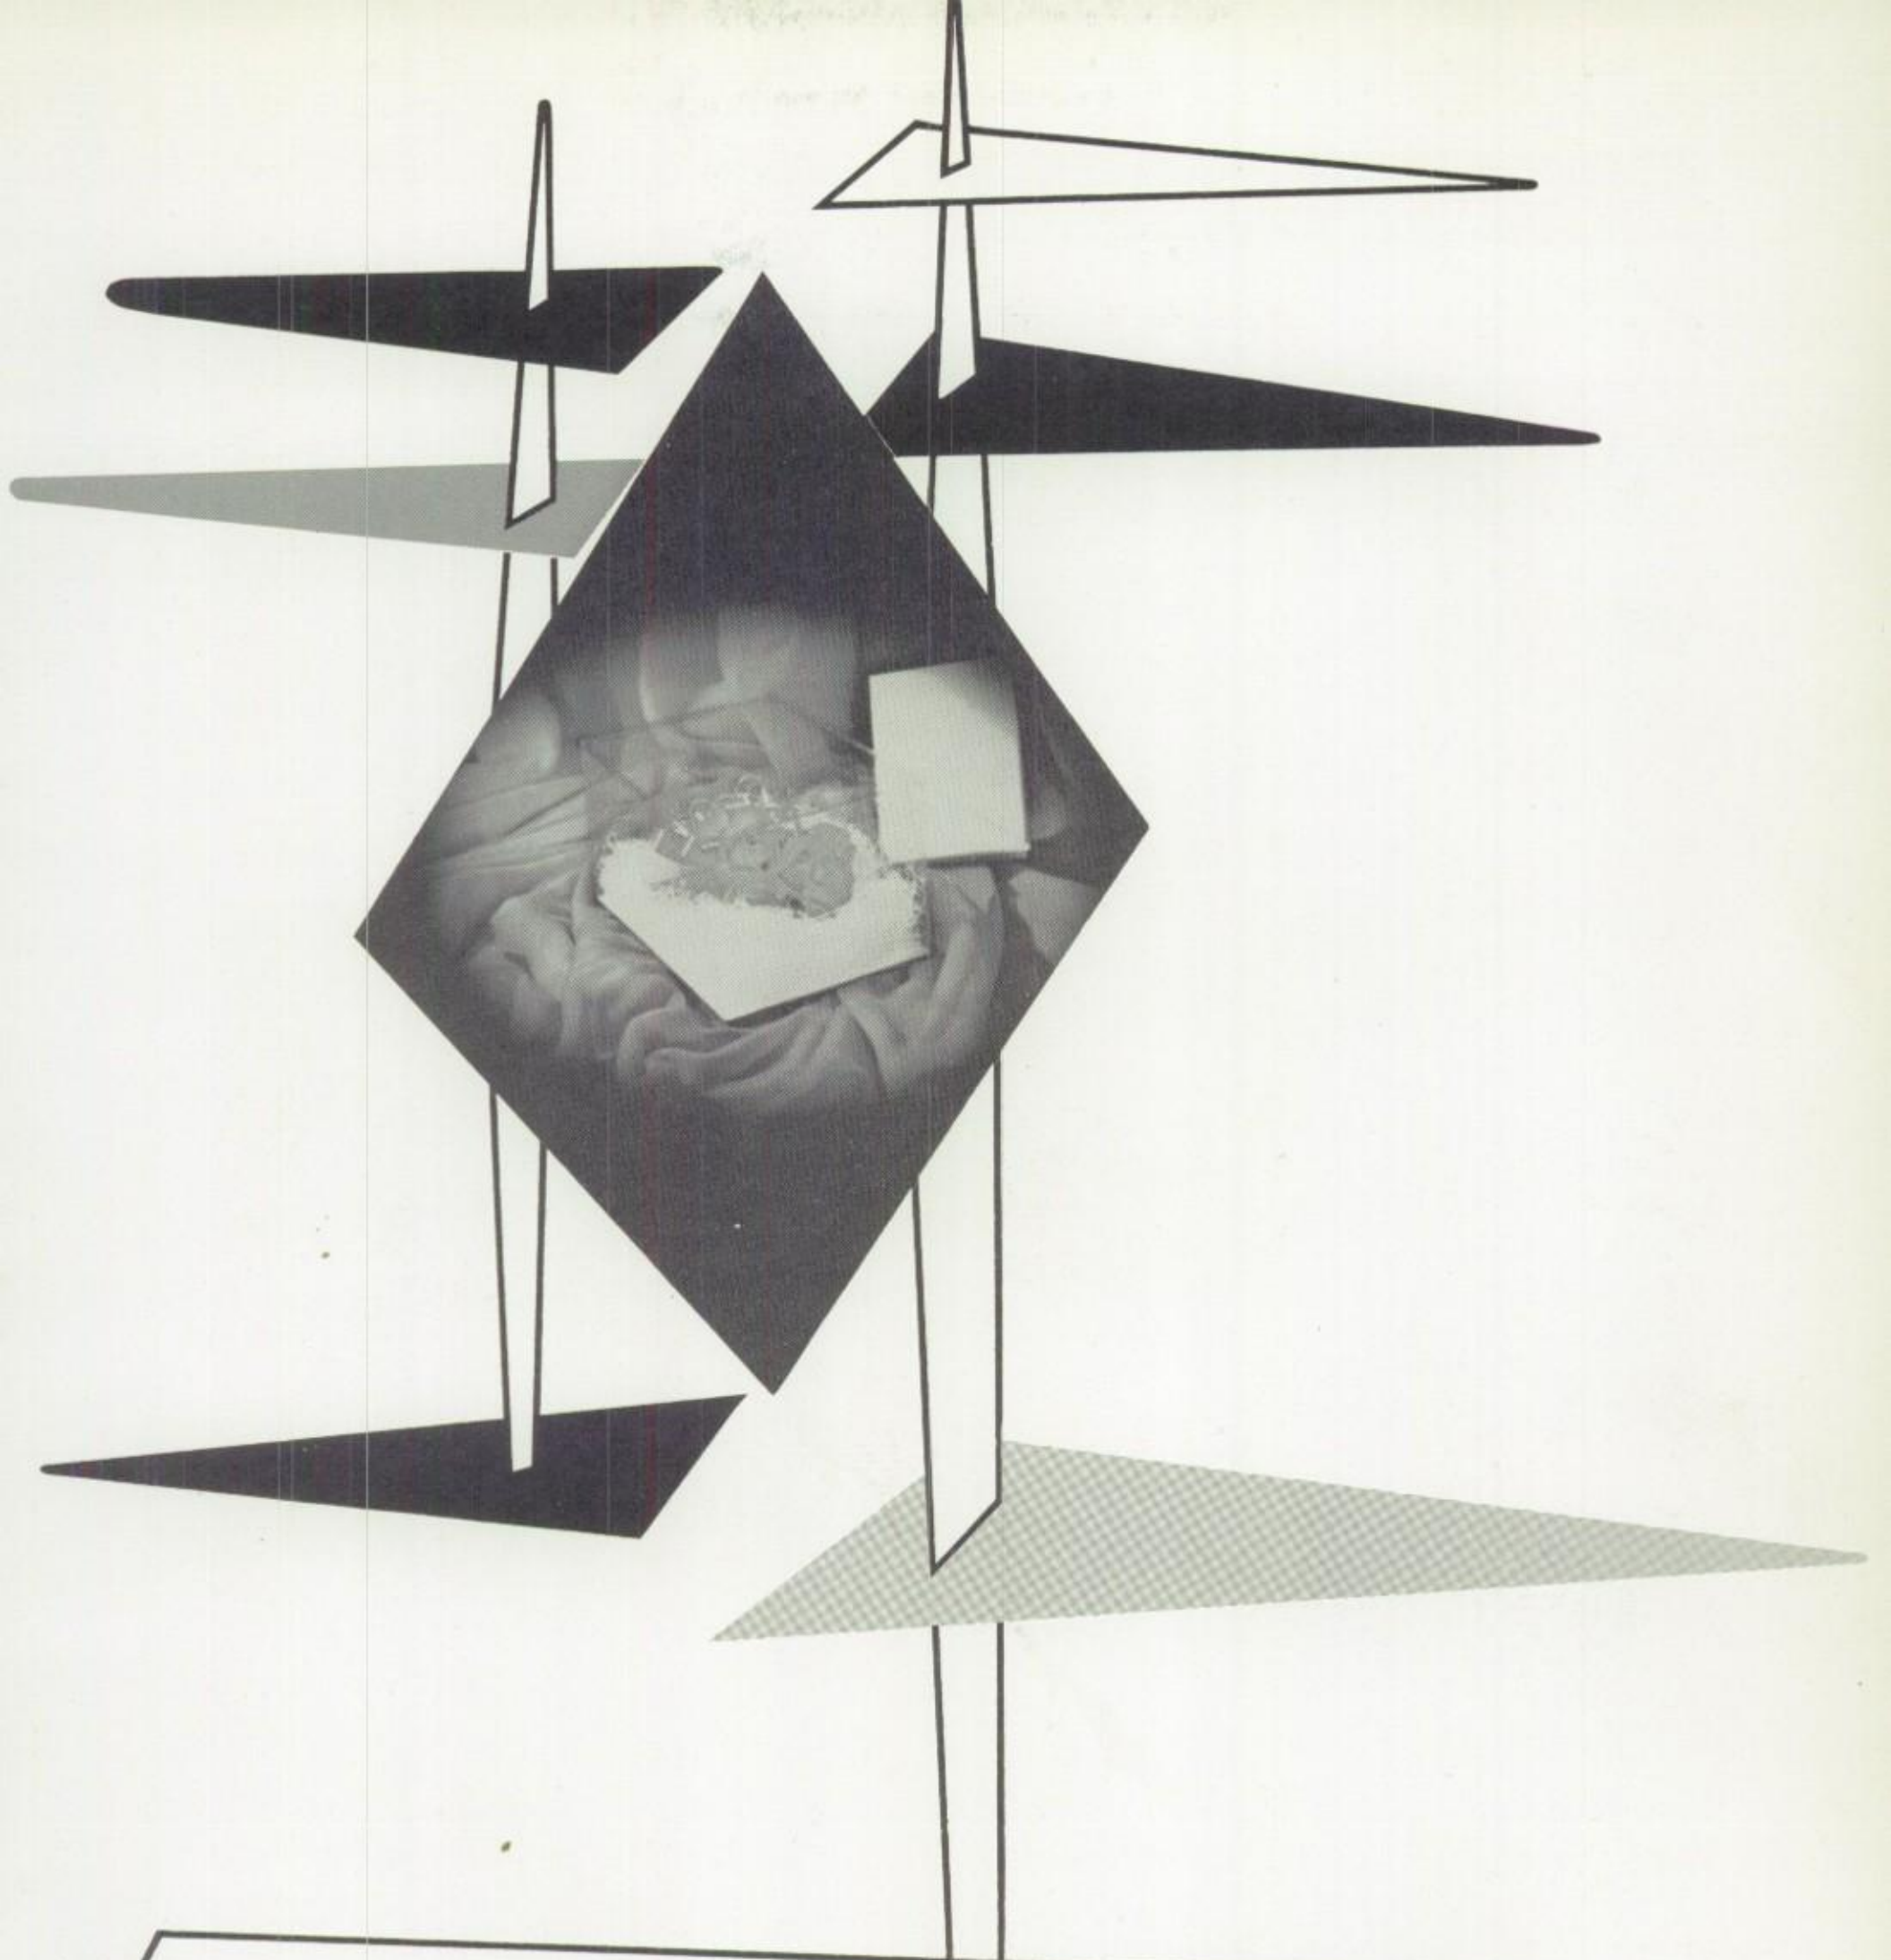

In September of 1958 we found that our class had been cut to 25 members and we had a new home room, now the library, and a new advisor, Mr. Nelson Dionne, who has continued to advise us through our high school years. Bruce Gatchell represented the Nute Band at the All-State Music Festival which was held in Portsmouth. Some of us attended Hi-U Day at the U.N.H. with the seniors.

Our junior year proved to be pretty hectic. We began the year in Room 11, but when the new addition was completed, we moved downstairs to Room 7. We gained two classmates, increasing our number to 27. Class rings arrived in September and we were pretty proud of them for they made us feel like official upperclassmen wearing them. Junior Prom was a success if we don't speak in terms of money. We also tried to make Milton and the surrounding communities brighter places in which to live, but if you could have seen the light bulbs remaining at the end of the sale you would have realized that it was pretty much in vain. A baked bean supper added funds to our treasury. Again Bruce Gatchell represented the Nute Band at All-State and we had two of our class in the All-State Chorus - Tony Greene and Merriel Thomas. The Milton American Legion Auxiliary chose Brenda Sanborn as their delegate to Girls' State at Durham. Nancy Varney, Merriel Thomas, and Brenda Sanborn were initiated into the National Honor Society.

September, 1960 arrived finally - the year we had all been anticipating. We moved again - Room 12 this time - and our class was reduced to 19 members. We all had one thing on our minds - New York. We suddenly realized we HAD to go but with that realization came the grim reminder - no money. And so, our senior year was dedicated to the proposition of making money. Our first project was a food sale at Dan's in Rochester. Christmas card sales were next. We served a spaghetti supper in January. We planned a faculty game for February, a play for March, and another food sale in April, and any other project that would bring us closer to our goal.

Tune: "If You Were the Only Girl"

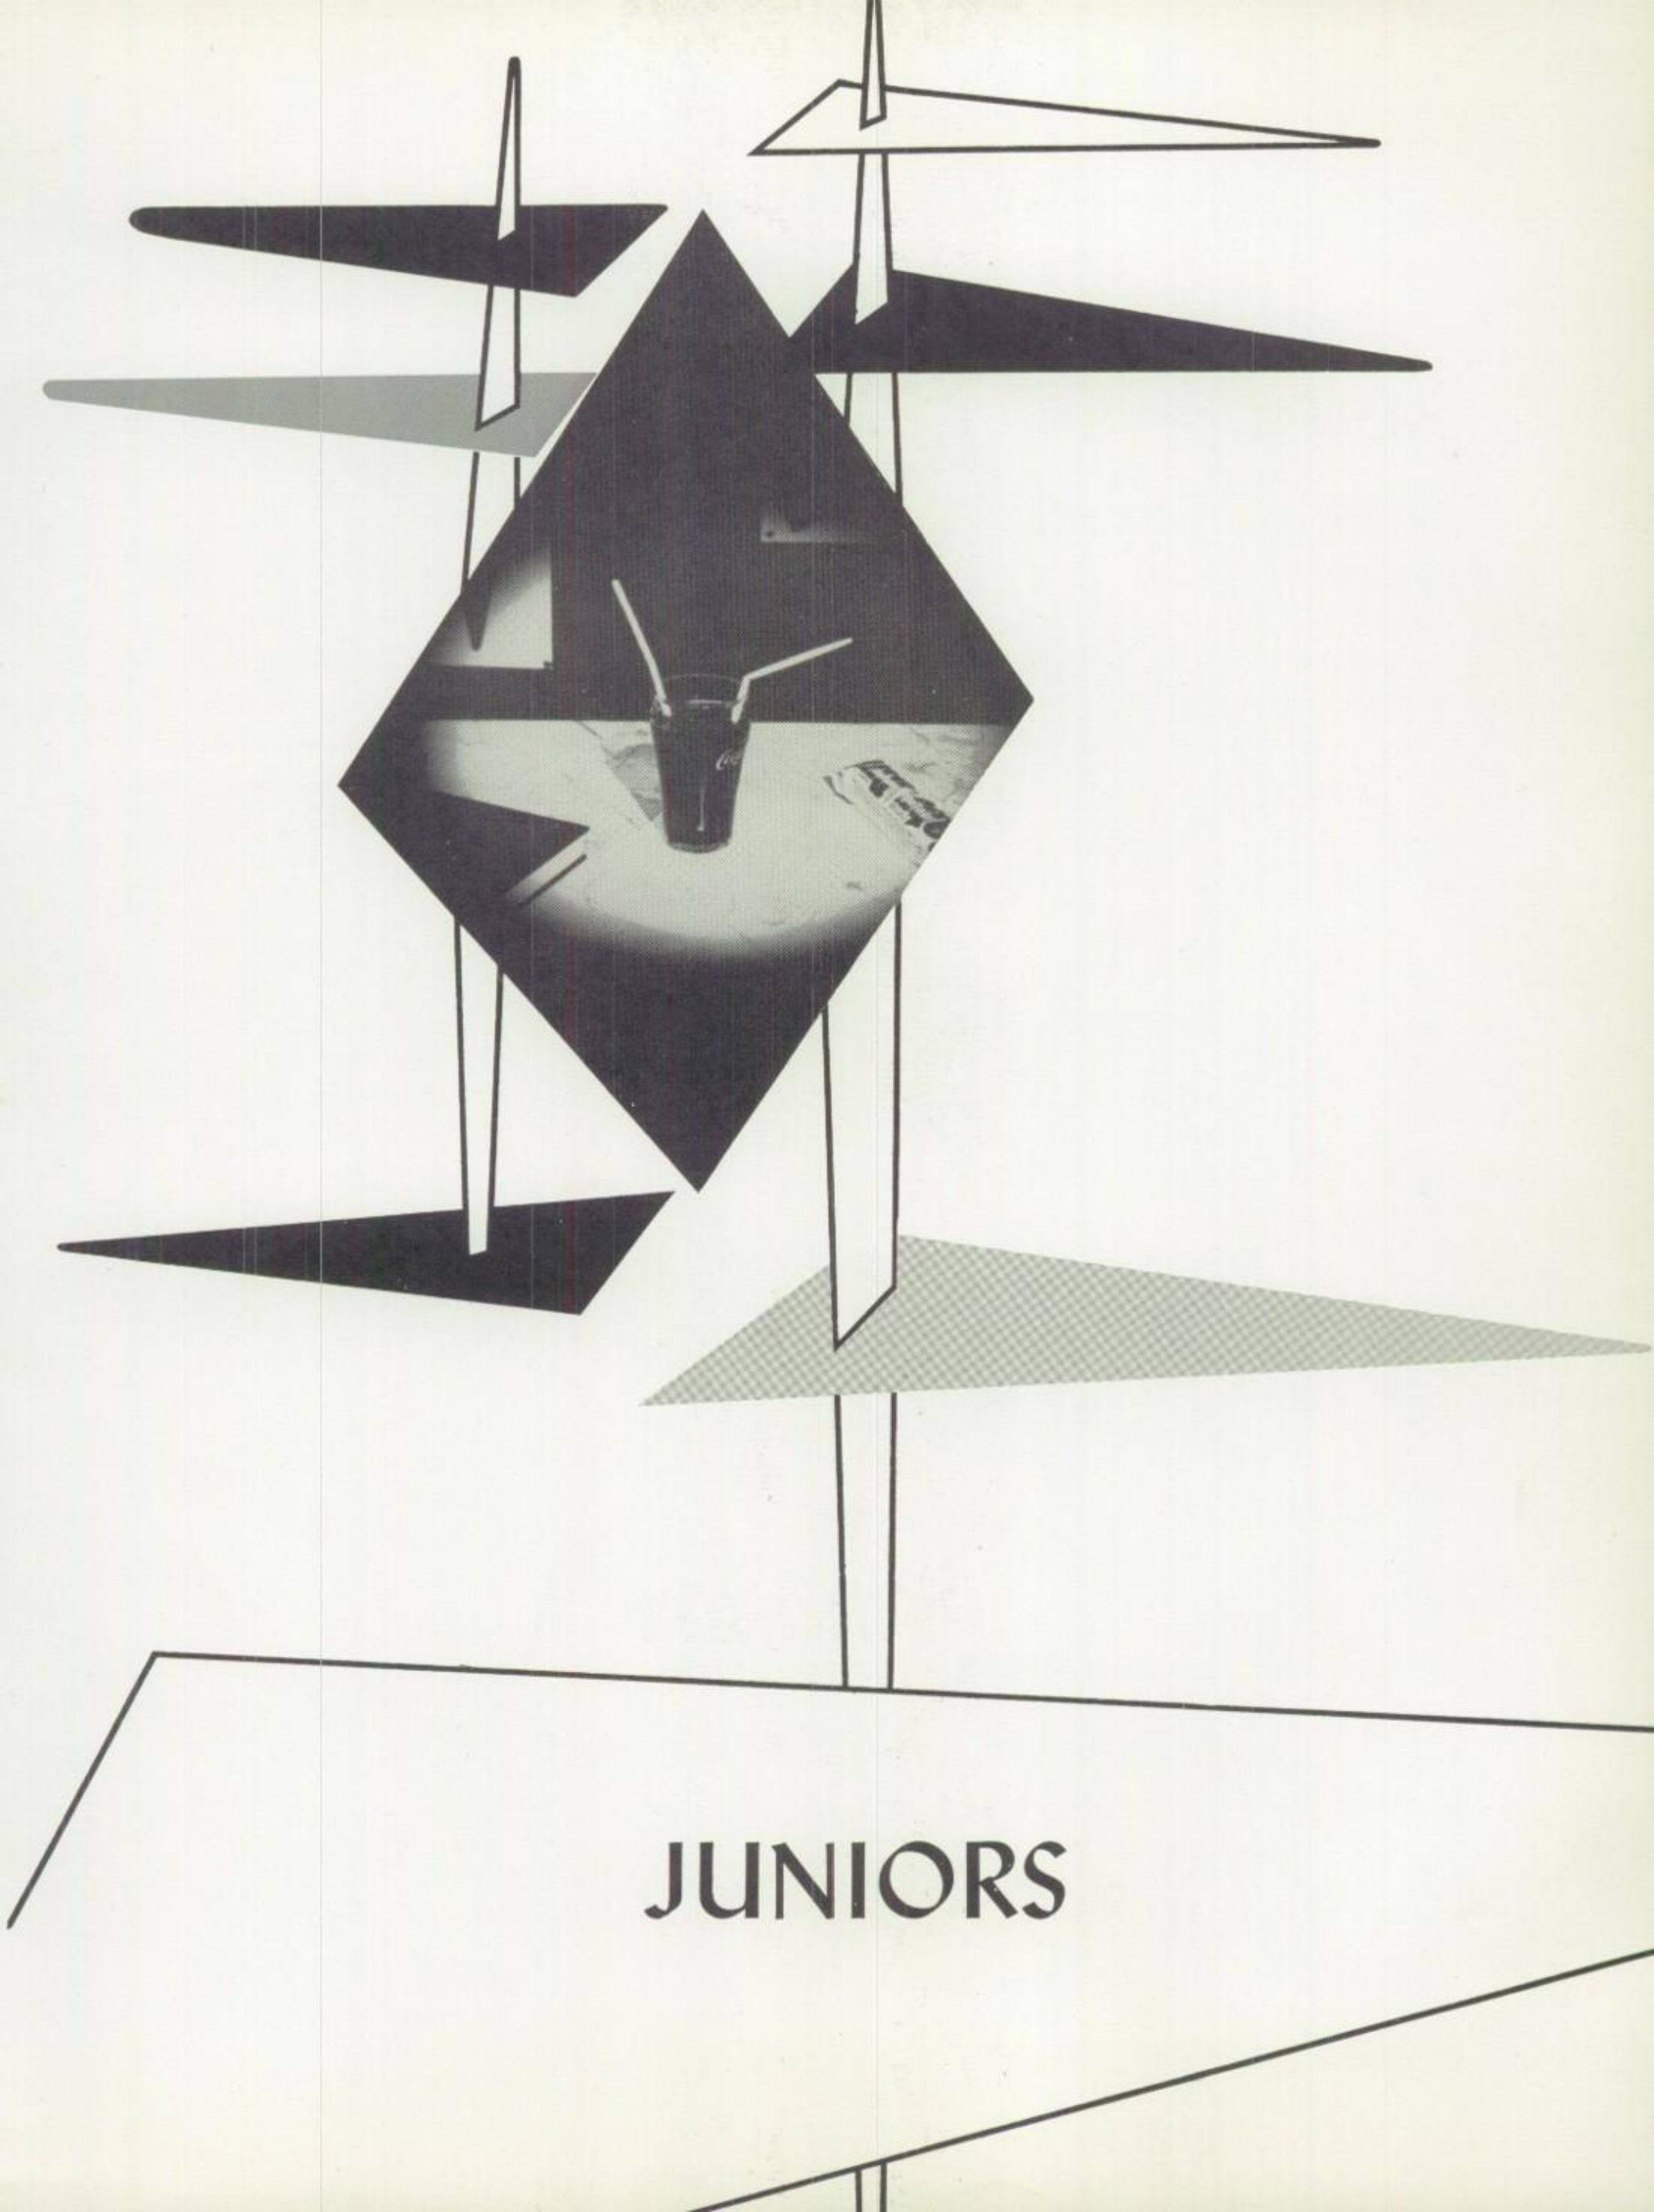

We leave with memories of happiness,
Though in these parting hours there is sadness.
Something within our hearts to build our dreams,
We will never forget the times it seems.

Refrain

We're on our way to our own separate worlds;
We may never meet again.
Time alone will prove our loyalty to Nute.
It represents our source of inspiration, too.
And we'll find in the world the place we deserve,
To show through the years we care
That we had a share in making wonderful old Nute High.
These will be our memories till we die.
We hope to make you proud to say you knew us when
We were the class of sixty-one.
